

Frequently Asked Questions!

SIS30313 Certificate III in Fitness SIS40210 Certificate IV in Fitness

What is the cost of the Course?

SIS30313 Certificate III in Fitness \$1995
SIS40210 Certificate IV in Fitness \$1995
Cert III & IV in Fitness Combined \$3000

Can I pay on a Payment Plan?

YES! The Global Fitness Payment Plan for a Combined Cert III & IV is:
\$500.00 deposit, then 20x weekly payments of the balance plus 5%
(\$131.25 per week over 20 weeks).

NOTE: Health Revival Longford is (by application) able to personally assist students who find it hard to either come up with a deposit OR commit to \$131.25 per week. For example, one student signed to pay \$150.00 per fortnight over 21 fortnights (42 weeks). However, failure to commit to the payment plan means that Health Revival Longford is personally responsible for your debt, so we ask for commitment, consistency and fairness in this offer.

How long do I have to complete the Course?

You have 6 months for Certificate III and an additional 6 months for Certificate IV.

What happens if I don't complete in the 6 month time frame?

You need to apply for an extension. Initially if you are only an assignment or two off completing then there is minor leeway for 1 month only.

An extension will cost \$299.00 for 3 months or \$449.00 for 6 months.

How many classes can I attend?

We encourage you to attend at least 1 class per week, and offer up to 3 practical and theory based sessions. On top of this you can also use our gym/fitness classes (included in your course) and we encourage you to join in for as many extra activities here as possible to learn the complete in's and out's of running a gym!

Our timeframes are flexible to enable any person into the course be it working full-time, part-time, a student, or a stay at home mum/dad!

I have been teaching fitness students for over 8 years now, initially as I was unable to find adequate staff with the training and skills to work in my business. As an expansion to my business, in partnership with the Northern Midlands Council, I took on the Longford Sports Centre on 1st July 2013 with a membership base of just 52. Today we have almost 400 members and have employed 16 staff! In the last 12 months, we have been able to put through 6 Trainees and have employed multiple people who have graduated from the Global Fitness Institute! This isn't just a course to gain qualifications; I will train you to be successful in the fitness industry! Whether it be starting up your own business, finding employment, or adding this education to your current position! I work only in small groups and allow you to study in theory and practical ongoing until the time that you feel you are confident, qualified and ready!
