MIDLANDS  
COUNCIL**

# **AGENDA**

**Ordinary Meeting of Council**

**Monday, 19 February 2018**

**Des Jennings  
General Manager**

## QUALIFIED PERSONS ADVICE

The *Local Government Act 1993* provides (in part) as follows:

- ◆ A General Manager must ensure that any advice, information or recommendation given to the Council is given by a person who has the qualifications or experience necessary to give such advice, information or recommendation.
- ◆ A Council is not to decide on any matter which requires the advice of a qualified person without considering such advice unless the General Manager certifies in writing such advice was obtained and taken into account in providing general advice to the Council.

I therefore certify that with respect to all advice, information or recommendation provided to the Council in or with this Agenda:

- i) the advice, information or recommendation is given by a person who has the qualifications or experience necessary to give such advice, information or recommendation; and
- ii) where any advice is directly given by a person who does not have the required qualifications or experience, that person has obtained and taken into account in that person's general advice, the advice from an appropriately qualified or experienced person.

## MEETING CONDUCT

- ◆ People attending Council Meetings are expected to behave in an appropriate manner.
- ◆ The following is not acceptable:
  - Offensive or inappropriate behaviour
  - Personal insults
  - Verbal abuse
- ◆ In the case of any inappropriate outburst or derogatory behaviour, an apology from the offending party or parties will be requested. Anyone at the meeting, if they feel offended in any way by any such behaviour specified above, should immediately bring the behaviour to the notice of the Chairperson by the way of a point of order.
- ◆ The Chairperson has the right to evict from a meeting any person who is not behaving to an appropriate standard.

# **GUIDELINES FOR COUNCIL MEETINGS**

## **PUBLIC QUESTIONS AND STATEMENTS**

### ***PUBLIC QUESTION TIME:***

Regulation 31 of the *Local Government (Meeting Procedures) Regulations 2015* makes provision for Public Question Time during a Council meeting.

Public question time is to commence immediately after the meal break at approximately 6:45pm and is to be conducted in accordance with the following guidelines:

- ◆ At each Council Meeting up to 20 minutes, or such longer period as Council may determine by resolution at that meeting, is to be provided for persons at the meeting to ask questions.
- ◆ A person seeking to ask a question must firstly identify himself or herself by stating their name and the town they reside in.
- ◆ If more than one person wishes to ask a question, the Mayor is to determine the order in which those questions are asked
- ◆ Questions must be directed to the Mayor who shall answer or direct the question to the appropriate Councillor or Council Officer. A question will be answered if the information is known otherwise taken on notice and responded to in writing within 10 working days. Questions should preferably be in writing and provided to the General Manager 7 days prior to the Council Meeting.
- ◆ A person is entitled to ask no more than 2 questions on any specific subject. If a person has up to two questions on several subjects, the Mayor may defer those questions until other questions have been asked and refer back to that person only if time permits.
- ◆ Each speaker is limited to a maximum of 3 minutes.

### ***REPRESENTATIONS ON PLANNING ITEMS***

A maximum of 4 persons per item (2 for and 2 against) will be permitted to address Council on a planning item. After the representation has been made, Councillors are permitted to ask questions of the party who made the representation.

Each speaker is limited to a maximum of 3 minutes.

## **PETITIONS**

In relation to the receipt of petitions, the provisions of the *Local Government Act 1993*, Part 6 - Petitions, polls and public meetings, S57 and S58, should be noted.

## **RECORDING OF COUNCIL MEETINGS**

Regulation 33 of the *Local Government (Meeting Procedures) Regulations 2015* provides for the audio recording of Council meetings.

The purpose of recording meetings of Council is to assist Council officers in the preparation of minutes of proceedings.

The provision of recording of Council meetings in this policy:

- ◆ only applies to formal Council meetings (ordinary meetings, special meetings and Annual General meetings);
- ◆ does not apply to closed sessions of Council;
- ◆ does not apply to Committees of Council;
- ◆ The recording will not replace written minutes and a transcript of the recording will not be prepared;
- ◆ The recording may be used by Council staff to assist with the preparation of the minutes and by Council during a subsequent meeting within the period that the recording is retained;
- ◆ The official copy of the recording of a Council meeting is to be retained by Council for at least a period of 6 months from the date of a meeting and deleted after that period has expired.
- ◆ If requested, a recording of a Council meeting to be available to Councillors at no cost within 24 hours of the meeting.
- ◆ Notices advising that
  - the proceedings of the meeting are to be audio recorded; and
  - the detail relating to the recording of meetings by members of the publicare to be on display at each meeting.

A member of the public may only use an audio recorder, or any other recording and/or transmitting device, to record the proceedings of a meeting of Council with the written permission of the General Manager for the express purpose proposed. The Northern Midlands Council reserves the right to revoke such permission at any time.

Unless expressly stated otherwise, Northern Midlands Council claims copyright ownership of the content of recordings of Council meetings ("the Recordings").

The Recordings may not upload, display, print and/or reproduced without the written permission of the General Manager for the express purpose proposed.

The Northern Midlands Council reserves the right to revoke such permission at any time. Apart from uses permitted under the *Copyright Act 1968*, all other rights are reserved.

Any request for authorisation, including authorisation for the use of recordings, should be directed to the General Manager, 13 Smith Street, Longford TAS 7301.

## 7 HEALTH ISSUES

### Immunisations

The *Public Health Act 1997* requires that Councils offer immunisations against a number of diseases. The following table will provide Council with details of the rate of immunisations provided through Schools. Monthly clinics are not offered by Council; however, parents are directed to their local General Practitioner who provides the service.

MONTH	2015/2016		2016/2017		2017/2018	
	Persons	Vaccination	Persons	Vaccination	Persons	Vaccination
July-September	31	31	43	49	82	82
October-December			46	52		
January-March	-	-	-	-		
April-June	-	-	16	45		

Immunisations are provided by the Longford Surgery during 2017 and have included Meningococcal.

### Other Environmental Health Services

Determine acceptable and achievable levels of environmental and public health by ongoing monitoring, inspection, education and, where necessary, by applying corrective measures by mutual consent or application of legislation.

Ensure safe standards of food offered for sale are maintained.

Investigations/Inspections	2014/2015	2015/16	2016/17	2017/18
Notifiable Diseases	2	5	4	1
Inspection of Food Premises	118	154	75	39

Notifiable Disease investigations are carried out by the Department of Health and Human Services, with only significant outbreaks directed to Council to assist with investigations. However, due to the prompt and thorough investigating by Council Environmental Health Officers, the Department now directs more cases for Council to investigate.

Food premises are due for inspection from 1 July each year. The number of inspections in the table above is the total number carried out since 1 July 2017. 10 inspections were undertaken in August.

### 16 NORTHERN MIDLANDS EVENTS – CURRENT & UPCOMING

Prepared by: *Fiona Dewar, Tourism Officer*

Prepared by: *Fiona Dewar, Tourism Officer*

Councillors have requested a list of current and upcoming events in the Northern Midlands be listed in the Council Agenda on a monthly basis.

The following list of current and upcoming events has been compiled from information obtained from a variety of sources, including: contact with event organisers; social media; publications; word of mouth; and general knowledge.

The directory is updated on a weekly basis.

# AGENDA – ORDINARY MEETING

## 19 FEBRUARY 2018

A more comprehensive directory of events for the Heritage Highway region is issued each Thursday and is distributed to the five visitor centres in the Northern Midlands; the Tourism Visitor Information Network's 'Yellow i' centres around the state; the Heritage Highway Tourism Region Association board members and social media writer; Tourism Northern Tasmania; Destination Southern Tasmania; a number of event organisers; the Northern Midlands Courier; and individuals as requested. Each month the directory is distributed to several hundred tourism operators in the Heritage Highway region for sharing with their visitors.

This event directory has a large reach. To add an event to this directory, event organisers can contact Council's Tourism Officer [Fiona.Dewar@nmc.tas.gov.au](mailto:Fiona.Dewar@nmc.tas.gov.au), or 6397 7303.

### 18 AUSTRALIA DAY

Prepared by: *Lucie Copas, Executive & Communications Officer*

Council held its annual Australia Day Event for 2018 at Valentine Park in Campbell Town on 26 January 2018 from 9am – 12pm.

The theme for this year's event was 'Community Engagement' and Council encouraged local community groups and not for profit organisations to come along and promote their organisation or group.

Council was appointed an Official Australia Day Ambassador and this year we were joined by Hobart based John Zeckendorf who was the first Tasmanian to reach the summit of Mt Everest.

Council also held its annual Australia Day Awards and Volunteer Recognition Honours and the following were awarded for their impressive community involvement and dedication.

- Event of the year – CMCA Solos Network Rally 2017  
Nominated for their event held in early 2017 which brought a huge number of visitors and tourists to the Campbell Town community.
- Citizen of the year – Gregory Knight  
Nominated for his involvement with a variety of community groups and volunteer organisations. Especially for his involvement with Ambulance Tasmania.
- Young Citizen of the year – Curtis McGee  
Nominated for his dedication to raising awareness and funds for Cystic Fibrosis Tasmania. He lost his brother to the disease and is a passionate advocate.
- Volunteer Recognition – Fae Cox  
Nominated for her involvement with the Cressy Local District Committee and especially her dedication as chairperson of the committee.

# AGENDA – ORDINARY MEETING

## 19 FEBRUARY 2018

- Volunteer Recognition –Peter Evans  
Nominated for his involvement with various community groups and volunteer organisations. Especially for his involvement with the Campbell Town ANZAC group.

Council also held a citizenship ceremony welcoming 9 new citizens to the Northern Midlands.

Council officers have received great feedback from various groups and Council committees congratulating them on a well organised day.

### 19 REMOTE PILOTED AIRCRAFT (DRONE)

*Prepared by: Amanda Bond, Community & Development Manager*

Last year, the Northern Midlands Council collaborated with George Town Council to purchase and train an officer to operate a remote piloted aircraft (drone). It is proposed the drone can be used for building inspections, compliance inspections, filming of Council events. There will be a cost saving and risk reduction involved, for example, the inspection of a Council building roof can occur without the need for staff to be on the roof.

Council's Environmental Health Officer, Chris Wicks who works across both Councils, has completed training in piloting the drone and is in the process of completing his Remote Piloted Aircraft Operators Certificate.

There are many regulations around the operation of a drone, in particular in close proximity to an Airport. Northern Midlands towns of Evandale and Perth are impacted by these regulations and the operator must have the Remote Piloted Aircraft Operators Certificate to use the drone in these areas, in addition to obtaining approval from the airport authority for each flight.

Outside of these limits, any staff member can operate the drone, provided the Environmental Health Officer has certified the flight.

Upon completion of the Certificate both Council's Communications Officers will soon be liaising to arrange a launch of the collaboration.

Officers are also finalising a policy applicable to drone use by Council.

Provided the flight is outside of the Launceston Airport zone, Council can use the drone for flights from now.

It is anticipated that into the future the Council's may be able to outsource the drone to other companies as an income generating service. This is still under investigation.

### 20 TOOMS LAKE GUIDELINE UPDATE

*Prepared by: Erin Boer, Urban & Regional Planner*

Council's Planning and Building Officers are currently in the process of reviewing the Tooms Lake Shack Guidelines, with the aim to revise the guidelines so they are appropriate for the future needs of shack owners and campers.

An audit of all leased sites was undertaken on the 13th December 2017, to document the level of development that currently exists and to inform the level of development that should be allowed for within the revised guidelines. Comments were also sought from shack and campsite owners, to allow for their needs to be taken into consideration. A number of detailed responses were received.

The information obtained by the audit and consultation with shack/campsite owners will now be collated, followed by the drafting of the revised guidelines. A copy of the draft revised guidelines will be brought to Council for review, prior to implementation.

### 21 NOISE COMPLAINTS

*Prepared by: Amanda Bond, Community & Development Manager*

Recently, Councillors have requested a summary of Council's power to address noise complaints.

There are three primary sources of legislation giving Council the power to take action with regard to noise nuisance.

- *Environmental Management and Pollution Control Act 1994;*
- *Environmental Management and Pollution Control (Noise) Regulations 2016; and*
- *Local Government Act 1993*

# AGENDA – ORDINARY MEETING

## 19 FEBRUARY 2018

The majority of noise-generating equipment and appliances are addressed in the *Environmental Management and Pollution Control (Noise) Regulations 2016*.

These regulations apply to the operation of machinery and equipment; the operation of fixed equipment such as domestic heating equipment; the operation of motor vehicles and motor vessels; the hours of use for things such as power tools, machinery and equipment, musical instruments or sound amplifying equipment, lawn mowers and chainsaws.

Council's website clearly states the hours in which you can operate such machinery and equipment.

The *Environmental Management and Pollution Control Act 1994* deals with the emission of pollutants, which may cause environmental harm, one of which is energy which includes noise. This is a wide reaching and powerful Act that may be applied to industrial noise, farming activities and a range of environmental issues that have potential to affect the broader environment.

The *Local Government Act 1993* deals with nuisances, the definition of which includes something that gives rise to unreasonable or excessive levels of noise or pollution. This is the legislation that would generally be used to manage a noise issue such as the squawking of birds.

An information sheet relating to noise is available on the Council website.

### GOV 6 LONGFORD: ILLAWARRA ROAD ROUNDABOUT

#### **Attachments: Section 1 – Page 31**

Responsible Officer: Des Jennings, General Manager  
Report prepared by: Des Jennings, General Manager

#### **1 PURPOSE OF REPORT**

The purpose of the report is to consider an offer from the Department of State Growth to fund the improvements to the roundabout.

#### **2 INTRODUCTION/BACKGROUND**

Council at its meeting on 16 October 2017 (minute 315/17) resolved the following:

*That Council:*

- i) Accept and release the Longford Urban Design Strategy and Guidelines Manual;*
- ii) Consider funding the components of the Strategy in forthcoming Council budgets, and request Council Officers to seek to secure external grants to assist with the implementation of the Strategy;*
- iii) authorise the General Manager to contact the Department of State Growth to discuss improvements to the Illawarra Road roundabout.*

Subsequently a response was received from the Department of State Growth on 30 January 2018 confirming that the Department would fund the improvements to the roundabout with a number of conditions, copy attached.

The Longford Urban Design Strategy for the Illawarra Road roundabout identified the following:

##### **OBJECTIVE:**

*Provide an entry statement within the roundabout that welcomes visitors to Longford with a design that defines the community, character and heritage of Longford.*

##### **BENEFITS:**

*The benefits of creating a vibrant entry statement at this location signifies to visitors that Longford is a town well worth visiting and exploring, and is the heart of the Woolmers and Brickendon World Heritage Estates.*

##### **ACTION STEPS:**

- 1. Prohibit or reduce semi-trailer parking on both sides of Illawarra Road on the western approach to the roundabout.*
- 2. Prepare drawings for Longford's northern entry statement within the roundabout, and adjoining traffic islands in accordance with Austroads and State Growth design parameters.*

##### **DESIGN INGREDIENTS:**

- *Refer Longford Urban Design Guidelines.*
- *Reference Heritage, Farming, Agriculture and Racing (horses, bicycle and motor) through landscape treatments and public art within the roundabout and approaching traffic islands.*
- *Consider anti-hooping pavement textures and vandal resistant treatments.*
- *Bitumen over weed problem areas above gabion retaining wall.*
- *Consider low maintenance materials and structures.*
- *Spring bulb planting around trees and along the levee bank.*

#### **3 STRATEGIC PLAN 2017-2027**

The Strategic Plan 2017-2027 provides the guidelines within which Council operates.

#### 4 POLICY IMPLICATIONS

There are no policy issues associated with maintaining road verges on roads maintained by the Department of State Growth, Council already maintain some of the land around the roundabout and State Growth have previously given Council permission to maintain this area.

#### 5 STATUTORY REQUIREMENTS

Illawarra Road and Tannery Road are both classified as high volume roads under Australian Standard AS 1742.3 Traffic Management at Works Sites. Shadow vehicles with flashing lights and appropriate signage in accordance with the standard must be used. Traffic management plans to mow other areas around the roundabout have previously been developed in consultation with Councils Work Health and Safety Officer and these plans can be modified to include the new area which is to be maintained by Council.

#### 6 FINANCIAL IMPLICATIONS

The cost of implementing the 18 activation projects in the Urban Design Strategy has been estimated as \$3,944,910.

# AGENDA – ORDINARY MEETING

## 19 FEBRUARY 2018

Council currently expends \$1,550 to maintain the entry to Longford, with the additional area it is estimated that the cost will increase to \$3,000 per annum.

### **7 RISK ISSUES**

Failure to implement the Longford Urban Design Strategy initiatives will prevent Longford from becoming a thriving and vibrant town that is an enviable place to live, work and visit. This will also lead to community disenchantment with the Strategy and Council, and questioning of the value of funding the development of a Strategy when no funds had been allocated for implementation.

### **8 CONSULTATION WITH STATE GOVERNMENT**

State Growth has been a key stakeholder in the develop of the Longford Urban Design Strategy with regard to traffic management and parklet developments.

### **9 COMMUNITY CONSULTATION**

Extensive community consultation underpinned the development of the Longford Urban Design Strategy and the associated Implementation Report.

### **10 OPTIONS FOR COUNCIL TO CONSIDER**

Council can either accept or not accept the offer.

### **11 OFFICER'S COMMENTS/CONCLUSION**

Council officers provide the following advice with regard to the Department of State Growth's proposal.

The offer of the \$186,000 would allow Council to now work up the project to create a vibrant entry statement, that defines the community, character and heritage of Longford.

A concept was accepted as an element of the overall Longford Urban Design Strategy. A copy of the concept is attached, which has an estimated cost of \$186,000.

A further action identified within the Strategy was to prohibit or reduce semi-trailer parking on both sides of Illawarra Road on the western approach to the roundabout.

The Department of State Growth has identified as a condition of the funding that Council identify an acceptable alternative heavy vehicle parking area along Illawarra Road.

Council's response may be that it is agreeable to working with the Department of State Growth and the heavy vehicle industry to identify a suitable heavy vehicle parking area.

The additional conditions from State Growth include:

- Enter into a deed with the Department that transfers the maintenance responsibility for the roundabout landscaping and any other associated entrance statements at this location; from the Department to Northern Midlands Council;

Council may enter into a deed of agreement that clearly identifies the responsibility of both parties.

The provision of an improved entry and maintenance standard increase would provide a defined entry that is welcoming to visitors and the local community of Longford.

# AGENDA – ORDINARY MEETING

## 19 FEBRUARY 2018

- Undertake the vegetation maintenance along Illawarra Road for 200 metres to the east and west of the Illawarra Road roundabout. This responsibility will also be included in the abovementioned deed.

The sections south east, south west and north west of the roundabout are maintained by Council's mowers at an annual cost of \$1,550.

The 200m sections east and west of the roundabout are currently maintained by the Department of State Growth.

If these sections were maintained to the same standard, the associated cost of reach arm slashing would be \$220 per hour, including traffic control, one hour per year. If these were to be maintained to Councils standard, this would take three hours.

The cost of annual spraying of traffic islands to Department of State Growth standards is approximately \$500.

### 12 ATTACHMENTS

- 12.1 Letter from the Department of State Growth dated 30 January 2018
- 12.2 Illawarra Road roundabout concept design
- 12.3 Plan of area to be maintained.

### RECOMMENDATION 1

That the matter be discussed.

### RECOMMENDATION 2

That Council

- 1) advise the Department of State Growth of its appreciation for its support to create a beneficial, vibrant entry statement at the Illawarra Road entry to Longford.
- 2) enter into a partnership with the Department of State Growth to identify a suitable alternative heavy vehicle parking area along Illawarra Road.
- 3) undertake the vegetation maintenance along Illawarra Road to the east and west of the Illawarra Road roundabout as identified in the site plan.
- 4) enter into a deed with the Department that transfers the maintenance responsibility for the roundabout landscaping and any other associated entrance statements at this location; from the Department to Northern Midlands Council.

### GOV 7 LONGFORD RAILWAY BRIDGE, ILLAWARRA ROAD

Responsible Officer: Des Jennings, General Manager

Report prepared by: Des Jennings, General Manager

#### 1 PURPOSE OF REPORT

Councillor Dick Adams requested that this matter be brought forward to Council.

To consider the responses from interested parties in participating in the organising of an event/project to recognise the 150 year anniversary of the rail bridge in 2021.

#### 2 INTRODUCTION/BACKGROUND

The iron bridge was fabricated in England and shipped to Australia.

It was opened in 1871, on the railway line from Launceston to Deloraine. Constructed of a through lattice truss, continuous over two spans of 200 feet (61m). These were the longest spans in an Australian bridge until 1880, when it was surpassed by the Fitzroy suspension bridge at Rockhampton.

This matter was previously considered at the June 2017 Council meeting, at which time the following was the decision of Council (min. ref.: 187/17):

##### *Cr Polley/Cr Calvert*

*That*

- i) the matter be deferred until the budget is set; and*
- ii) Council write to the Minister of Transport advising of the 150 year anniversary of the bridge in 2021 and enquire whether there are any plans to recognise that milestone.*
- iii) Council contact light rail in both Evandale and Launceston and advise 150 year anniversary of the bridge in 2021 and enquire as to whether they would be interested in being involved in the recognition of the milestone.*

*Carried unanimously*

#### 3 STRATEGIC PLAN 2017-2027

The Strategic Plan 2017-2027 provides the guidelines within which Council operates.

- Progress –
  - Economic Development – Supporting Growth & Changes
    - ♦ Towns are enviable places to visit, live & work
  - Tourism Marketing & Communication
    - ♦ Tourism partnerships build sense of place identity

## 19 FEBRUARY 2018

### 5 STATUTORY REQUIREMENTS

N/a.

### 6 FINANCIAL IMPLICATIONS

Costs that would be associated with the establishing of a Committee and identification of future possible projects are yet to be determined.

### 7 RISK ISSUES

Identified risks are:

- Community reaction if Council fails to take the initiative to acknowledge the 150 year anniversary of the bridge.
- Committee is not established to organise a commemorative event due to lack of interest from the community.
- Funding is not available to progress an event or project that is recommended by a community interest group.

### 8 CONSULTATION WITH STATE GOVERNMENT

Contact has previously been made with TasRail. Further dialogue to take place if a Community Interest Committee is established.

### 9 COMMUNITY CONSULTATION

Evandale Light Railway & Steam Society Inc. has verbally expressed an interest in being represented on the Committee, if such Committee was to be established.

### 10 OPTIONS FOR COUNCIL TO CONSIDER

Council can either endorse or not endorse the proposal.

### 11 OFFICER'S COMMENTS/CONCLUSION

The Longford Railway Bridge is an iconic structure, spanning the South Esk River, in Longford. The Western Railway Line travels over the bridge, enabling freight movement to/from the major container ports of Burnie and Devonport and the rest of the state. The bridge is listed in the Australian Heritage database with number 12819, listed since 21 March 1978.

As raised by Councillor Dick Adams, a suggestion has been to establish a 150 year Anniversary Committee – Longford Railway Bridge to consider and organize a celebration event or identify a project that would suitably commemorate the 150 year anniversary.

In the first instance it may be appropriate to ask the Longford Local District Committee if it would consider establishing a sub-committee to consider and possibly recommend a suitable celebratory event or project.

### GOV 8 STREET TREE PLANTING: SMITH STREET, LONGFORD

#### **Attachments: Section 1 – Page 34**

*Responsible Officer:* Des Jennings, General Manager

*Report prepared by:* Des Jennings, General Manager

#### **1 PURPOSE OF REPORT**

To consider the proposal for the continuation of street tree planting where possible within the wider streets in the municipality.

#### **2 INTRODUCTION/BACKGROUND**

Council back in 2010 removed a number of trees in Smith Street and, at that time, also formally agreed through a development application process to replace the trees at strategic locations.

To date this planting has not taken place.

The recent concerns raised by residents about the loss of trees due to the construction of a car park adjacent to the Council offices has prompted this previous decision to be recalled.

The planting to date has not taken place due to the location of services on both sides of Smith Street, as identified on the attached plan.

A possible solution to the planting of appropriate species, is the establishment and planting of a median strip up the middle of Smith Street.

Such a planting would be well away from existing services and provide an attractive avenue of trees, adding value environmentally and financially to adjoining properties.

#### **3 STRATEGIC PLAN 2017-2027**

The Strategic Plan 2017-2027 provides the guidelines within which Council operates.

- Lead –
  - Leaders with Impact  
Core Strategies:
    - ♦ Communicate – Connect with the community

    - ♦ Eco-tourism strongly showcases our natural beauties
  - History – Preserve & Protect our Built Heritage for Tomorrow  
Core Strategies:
    - ♦ Our heritage villages and towns are high value assets

#### 4 POLICY IMPLICATIONS

There is currently no policy in relation to this matter, however, a recognised process is followed in regard to the planting of street trees and the maintenance thereof.

#### 5 STATUTORY REQUIREMENTS

Legislation allows for service providers such as Aurora and Telstra; as well as the Department of State Growth to undertake maintenance/pruning of trees which are considered a threat to their infrastructure. Planning permits are applicable to plantings in some areas.

Due to Smith Street being within a Heritage Precinct, vegetation planting and road works do not meet the exemptions of the Northern Midlands Interim Planning Scheme 2013 and discretionary planning approval is likely to be required.

A proposal to plant trees on the southern side of Smith Street was lodged and approved by planning permit P10-279, in light of the removal of trees on the northern side of Smith Street; however, these works were never pursued.

Sewer, stormwater and gas mains are located on the southern side of the road and a water main is located on the northern side of the road.

Council generally avoid planting near sewer, water and stormwater services because tree roots are attracted to water and will damage pipes. The asset owners will not allow planting in close proximity to a gas main in any circumstances due to the serious risks associated with damage to the main.

#### 6 FINANCIAL IMPLICATIONS

The estimated cost to trial the proposal is approximately \$56,000 (\$4,000 per tree), this would realise the planting of trees on Smith Street, from Wellington to George streets, Longford.

Maintenance costs of the median is a consideration, with the planting and median cover to be landscaped to create minimal maintenance requirements.

The estimated costs, without irrigation installed is estimated at approximately \$3,600 for the first two years, with a trial area producing more reliable associated costs.

# AGENDA – ORDINARY MEETING

## 19 FEBRUARY 2018

A minor cost in reseal is also anticipated and is estimated at approximately \$300.

### 7 RISK ISSUES

The identified risks include:

- Failure to implement an initiative aligned with Council's Strategic Plan:
  - Cherish & sustain our landscape:
    - ♦ Nurture landscapes and environment for future benefit
    - ♦ Create eco-diverse public spaces with 'Sense of Place'
  - Meet environmental Challenges:
    - ♦ Raise awareness of climate change and seek solutions
    - ♦ Strengthen biodiversity in the natural environment
- Council does not undertake adequate community consultation, inclusive of seeking comment from the Longford Local District Committee and the residents of the street.

Subsequently, adequately taking into account community support for or against.

- The design is to be to Australian Traffic Management Standards.
- The recommended trees are to be appropriate for the location, minimal impact on road pavement and a reasonable canopy for shade purposes.
- Trees planted on verges which are too narrow to allow for safe use of footpaths by users and which overhang the road pavement.
- Trees which hinder line of sight of road users.
- Trees dying when they are young due to insufficient water.
- Parking issues created by inappropriate plantings.
- Destruction of assets.

Under the tree planting guidelines council's insurers require root barriers to be installed to ensure root growth does not cause damage (tripping points) in footpaths which may result in a future public liability claim.

### 8 CONSULTATION WITH STATE GOVERNMENT

N/a.

### 9 COMMUNITY CONSULTATION

Community consultation will include the Longford Local District Committee and the residents of the street, where the proposal may be trialled.

### 10 OPTIONS FOR COUNCIL TO CONSIDER

Council can either accept or not accept the suggested trial proposed.

### 11 OFFICER'S COMMENTS/CONCLUSION

Northern Midlands Council plants and maintains street trees to ensure the municipalities residents receive all the benefits trees bring to our towns and open spaces.

Street trees help to:

- Provide cooler, greener, more comfortable pathways for walking and cycling

# AGENDA – ORDINARY MEETING

## 19 FEBRUARY 2018

- Improve air quality
- Reduce and clean stormwater run-off
- Improve property values
- Add to the identity of our towns.

If Council support the proposal as a trial to plant the centre of Smith Street, Longford, consideration is to be given to the planting of water smart trees. These new street trees may be planted with water smart design features underneath that will divert stormwater through a garden bed to irrigate the tree and filter pollutants from the stormwater system which will help improve the health of our waterways.

Selected street trees will be specifically grown and conditioned to suit a street environment. This involves trimming the lower branches off the tree to provide a clear trunk for visual permeability along the street and also to restrict branches interfering with vehicle movement. Trees will be grown for approximately 2 years in a commercial nursery until the site is ready for installation.

### **How Council chooses street trees**

Trees are selected to:

- suit the site conditions
- not interfere with services such as powerlines
- not obstruct visibility for road users and pedestrians
- compliment the character of an area.

It is important to look to the future and the development of a strategy to continue with the planting of street trees will add to the amenity of the towns of the Northern Midlands.

The attractiveness and appeal of a tree lined avenue adds to the wellbeing of the community and the appeal to visitors.

Support is sought to trial the proposal and in the first instance seek community comment, with a report back to Council and, if supported, an allocation provided in the 2018/2019 Budget to progress.

## **12 ATTACHMENTS**

### **RECOMMENDATION 1**

That the matter be discussed.

### GOV 9 TASWATER: QUARTERLY REPORT TO OWNERS' REPRESENTATIVES

#### **Attachments: Section 1 – Page 35**

Responsible Officer: Des Jennings, General Manager  
Report prepared by: Des Jennings, General Manager

#### **1 PURPOSE OF REPORT**

Mayor Downie has requested that the *Quarterly Report to Owners' Representatives – Progress update to 31 December 2017* be tabled. Mayor Downie also attended a TasWater Owners' Representatives meeting on 9 February 2018 in Launceston.

#### **2 INTRODUCTION/BACKGROUND**

TasWater has presented their second quarter (Q2) FY 2017-18 Quarterly Report to Owners' representatives in accordance with the requirements of the shareholder's letter of expectations.

Outlined in the reports on the key aspects of TasWater's performance year to date. These are followed by scorecards reflecting the status of their performance indicators outlined in the FY 2018-20 Corporate Plan and financial performance compared to FY 2017-18 Budget.

#### **3 STRATEGIC PLAN 2017-2027**

The Strategic Plan 2017-2027 provides the guidelines within which Council operates.

- Lead – Leaders with Impact
    - Strategic Project Delivery – Build Capacity for a Healthy Wealthy Future

### 10 OPTIONS FOR COUNCIL TO CONSIDER

To either note the report or not.

### 11 OFFICER'S COMMENTS/CONCLUSION

Status of capital works within the Northern Midlands Municipality include:

- Longford to Mackinnons Hill Reservoir Rising Main

Current Project State: Construction

Project Budget: \$4,057

Comments: As at December 2017

Pipe section to be completed by end of December 2017. Significant rock encountered in trench excavations are slowing progress.

- Regional towns Water Supply Program

- Epping Forest

An Epping Forest update was provided by TasWater on 2 February 2018 and is attached for information.

TasWater is constructing a pipeline to connect the community of Epping Forest to the Conara water Supply system. This includes the construction of a gravity pipeline along the Midland Highway between the two communities, and a reservoir and pump station within Epping Forest.

All construction activities are scheduled for completion by mid-March.

- Conara

A Conara update was provided by TasWater for February 2018 and is attached for information.

TasWater is constructing a new water treatment plant at the Milford reservoir site near the existing pump station. This will supply the Conara reticulation system.

Upgrades are also planned for the water supply system in Conara.

Construction of the gravity pipeline has commenced, water treatment plant works are scheduled to commence in February and minor construction work is planned for Conara in late February/early March.

- Rossarden

A February update for Rossarden has been provided by TasWater and is attached for information.

TasWater is planning to construct a new water treatment plant (WTP) at the existing pump station site and a new reservoir that will supply the Rossarden reticulation system.

A new pipeline will be constructed to replace the existing water race from Aberfoyle Creek.

All works (on and off-site) are commencing in February.

### 2.5 Planning and Building Compliance – Permit Review

Officers are taking a close look at works being started before planning and building permits are issued. Officers have identified that this area needs monitoring closely.

A lot of planning and building enquires have and are being made by the general public to make sure their works and future planned works are going to be compliant which has been very pleasing.

Tooms lake Shack and campsite audit has been conducted and officers are reviewing the information and guidelines.

A program of review has been established and the following areas are scheduled to be actioned in the coming month:

- Footpath Trading

# AGENDA – ORDINARY MEETING

## 19 FEBRUARY 2018

### 4 STATUTORY REQUIREMENTS

#### 4.1 *Land Use Planning & Approvals Act 1993*

The planning process is regulated by the *Land Use Planning & Approvals Act 1993*, section 43 of which requires Council to observe and enforce the observance of its planning scheme.

#### 4.2 *Building Act 2016*

The *Building Act 2016* requires Council to enforce compliance with the Act.

### 5 RISK ISSUES

Overall Council currently has a good reputation throughout the development community and people are aware of the need for building approvals. Inconsistent decision making would place this reputation at risk.

Council strives to ensure that the planning scheme meets expectations of community. Ongoing changes driven by the State despite public exhibition may not always further this aim.

### 6 COMMUNITY CONSULTATION

Discretionary applications are placed on public notification in accordance with Section 57 of the *Land Use Planning & Approvals Act 1993*.

### 7 OFFICER'S COMMENTS/CONCLUSION

Planning approval timelines for processing of discretionary applications is 40 days (33 days last month) (42 days allowed by LUPAA).

There were 93 building approvals valued at \$16,229,649 (year to date) for 2017/2018, compared to 104 building approvals valued at \$13,506,631 (year to date) for 2016/2017.

### C&D 2 FEES: SCHEDULE REVIEW BUILDING, PLANNING & PLUMBING

*Responsible Officer:* Amanda Bond, Community & Development Manager  
*Report prepared by:* Amanda Bond, Community & Development Manager

#### 1 PURPOSE OF REPORT

The purpose of this report is for Council to set administrative fees for applications for low risk building work, and to review the fees charged for subdivision applications.

#### 2 INTRODUCTION/BACKGROUND

##### **Low risk building work**

The first of January 2017 saw the new *Building Act 2016* come into force. The Act has now been in place for one year and officers have identified areas where Council may be missing out on fees, as a result of the changes imposed by the Act.

One of the most significant changes is the categorisation of building and plumbing work. Work can be low risk (Category 1 and 2), medium risk (Category 3) or high risk (Category 4).

It is the role of the private building surveyor engaged by developers to identify the category of the work.

Documentation (a Form 80) with regard to category 1 and 2 work is not required to be lodged with Council until the completion of the work. An example of low risk work is the building of a kit shed on a flat block.

At present Council does not charge an administrative fee to process a Form 80, however, there is some time involved as the Permit Authority must review the Form 80 and confirm the work is actually Category 1 or 2, and not higher.

Enquiries with other Council's show that approximately half the Councils in the state charge an administrative fee for Category 1 and 2 work. The charges range between \$40 and \$100, with the average being \$50.

It is recommended that Council introduce a fee for the submission of a Form 80 to cover the time spent by the Permit Authority to review the Form 80.

##### **Subdivision applications**

Presently, Council charges the following fees with respect to a subdivision application.

Subdivision (no variations to Planning Scheme provisions)	\$500 + \$245 advert fee <b>(\$745)</b> + \$250 per new lot+ #1#2
Subdivision (variations to Planning Scheme provisions)	\$500 + \$245 advert fee <b>(\$745)</b> + \$250 per new lot + \$125 per variation per lot + #1#2
Application in conjunction with subdivision	Discretionary fee no advertising fee
Other Departments' fees:	
#1 Engineering Department: Assessment/approval of plans/specifications and inspection of works (subdivisions & units)	\$335 (+ \$122 per lot/unit for each lot if over 3 lots)
#2 Health Department: EHO assessment fee of subdivision (outside sewerage district)	\$127 + \$63 each new lot

# AGENDA – ORDINARY MEETING

## 19 FEBRUARY 2018

Recently, several instances have arisen where an application has been received for a subdivision for a boundary adjustment, resulting in the same number of titles (a “re-subdivision”).

Applications of this nature involve the same amount of administrative work as a subdivision where new lots are created, however, Council’s fee schedule does not allow for additional charges above the existing \$745 (application fee plus advertising), as would be the case with an application where new lots are being created.

It is recommended that when an application for re-subdivision be received, Council charge an additional one-off fee of \$250 to address this inconsistency. This would make the cost of a re-subdivision application \$995.

### **3 STRATEGIC PLAN 2017-2027**

The Strategic Plan 2017-2027 provides the guidelines within which Council operates.

- Lead –

### **4 POLICY IMPLICATIONS**

Council’s Rates & Charges Policy applies.

### **5 STATUTORY REQUIREMENTS**

There are no statutory requirements to charge a fee.

### **6 FINANCIAL IMPLICATIONS**

By imposing a fee Council will be generating income for a service that it is required to give under legislation, however, presently not charged for.

### **7 RISK ISSUES**

There is a risk that Council will not recover cost for a necessary service, by not imposing a fee.

### **8 CONSULTATION WITH STATE GOVERNMENT**

Not applicable

### **9 COMMUNITY CONSULTATION**

Developers will need to be made aware of the fee, if imposed.

### **10 OPTIONS FOR COUNCIL TO CONSIDER**

To impose a fee for submission of a Form 80 building or plumbing work and re-subdivision applications, or not.

# AGENDA – ORDINARY MEETING

## 19 FEBRUARY 2018

### 11 OFFICER'S COMMENTS/CONCLUSION

With the changes to the *Building Act* Officers are seeing an increase of the submission of Form 80s, as there is more and more low risk work being completed, which is taking up more and more Officer time to process.

Whilst applications for re-subdivision do not occur often, they do require the same amount of Officer attention to assess, therefore it is important fees are charged accordingly.

#### RECOMMENDATION 1

That Council discuss this matter.

#### RECOMMENDATION 2

That Council impose a \$50 fee for the submission of a Form 80 Category 1 and 2 Building or Plumbing Work, and an additional \$250 to any application for sub-division where the number of lots does not increase.

### CORP 2 2018/2019 MUNICIPAL BUDGET

File: *Subject 24/029*  
 Responsible Officer: *Maree Bricknell, Corporate Services Manager*  
 Report prepared by: *Maree Bricknell, Corporate Services Manager*

#### 1 PURPOSE OF REPORT

The purpose of this report is for Council to set the parameters for the 2018-2019 Municipal Budget.

#### 2 INTRODUCTION/BACKGROUND

The 2018-2019 Budget process is conducted mostly in accordance with Council’s previously adopted procedure in an endeavour to finalise the process during June 2018:

- Issue a memo in March to Councillors and staff to list projects/ capital works for consideration and costing
- Place the Budget on Local District Committee agendas
- Conduct a Councillor Bus Tour during April (scheduled on Wednesday 18<sup>th</sup> April)
- List all major or new works/projects that have been considered by Council for consideration in the Budget process
- Set Budget parameters prior to drafting Budget
- Draft Budget having regard to:
  - i) Strategic Plan
  - ii) Budget parameters
  - iii) Local District Committee requests
  - iv) Long Term Capital Works programs
  - v) Departmental management and operational requirements
- Hold Council workshop/s to consider and review draft budget and review rating methodology
- Present a revised draft Budget to Council meeting for adoption
- Levy rates and charges in July.

With the Audit legislation requiring Annual Financial Statements to be completed by 15<sup>th</sup> August, it is suggested that Council move through the budget process with an aim to finalise/ adopt at the June meeting, this will allow financial staff to prepare and meet timelines for the end of year financial statements.

It is common practice each year for Council to undertake a Municipal Bus Tour to inspect projects that have been identified for inclusion in the forthcoming budget and also to meet with Local District Committee representatives to discuss their issues of priority. It was resolved that the Bus Tour be held on Wednesday 18<sup>th</sup> April 2018, and for Councillors that cannot attend photos of capital works items listed be provided. An itinerary for the proposed Council Bus Tour will be prepared and circulated prior to the tour.

Proposed budget timetable is as follows:

19 February 2018	Council Meeting	Set budget parameters
09 April 2018	Workshop	Capital Works Budget
18 April 2018	Bus Tour	
7 May 2018	Workshop	Draft Budget 1
28 May 2018	Workshop (optional)	Draft Budget 2
4 June 2018	Workshop	Draft Budget 3
25 June 2017	Council Meeting	Adopt Budget
Mid-July 2018		Issue Annual Plan
Mid-July 2018		Issue Rates

# AGENDA – ORDINARY MEETING

## 19 FEBRUARY 2018

### 3 STRATEGIC PLAN 2017/2027

The Strategic Plan 2017-2027 provides the guidelines within which Council operates.

- Lead –
    - Money Matters
- Core Strategies:
- ♦ Budgets are responsible yet innovative
  - ♦ Efficiency in resource sharing and Council reform
  - ♦ Improve community assets responsibly and sustainably

### 4 POLICY IMPLICATIONS

Rating methods and financial policies will be considered during the Budget deliberations.

### 5 STATUTORY REQUIREMENTS

Council must adopt a Budget by absolute majority in accordance with section 82 of the *Local Government Act 1993*, prior to 31 August and not more than one month before the start of the financial year.

### 6 FINANCIAL IMPLICATIONS

Careful consideration must be taken to enable Council to have sufficient funds to maintain assets and meet commitments for the 2018-2019 financial period.

Some outside influences this year that need to also be considered include:

- State election/budget opportunities for external funding
- Reduction in Roads to Recovery grant funding
- TasWater forecasted distributions level
- Bank Interest rates
- EBA wage increase levels
- Resource Sharing arrangements
- Development trends in area (incl Perth Road Bypass implications)
- Stimulus Projects in progress
- Debtors ability to pay.

### 7 RISK ISSUES

Council must adopt its budget to enable annual planning to commence and rates and charges to be levied for the 2018-2019 financial period.

### 8 CONSULTATION WITH STATE GOVERNMENT

A submission to the State Grants Commission papers was put forward for consideration during the Government Grant funding distribution process.

### 9 COMMUNITY CONSULTATION

Council meet with Local District Committees to discuss priority budget projects listed by the committees. There is also direct input into the formation of the Budget from ratepayers, and indirect input via councillors and departmental managers.

### 10 OPTIONS FOR COUNCIL TO CONSIDER

The following budget parameters are suggested for the 2018-19 Budget for Council consideration, review and endorsement (note December annual movement of CPI was 2.1 percent).

- a) Ongoing operational expenditure to be funded by annual rate income where possible.
- b) Government grants to be expended in the specific areas for which the grants are received (i.e. untied road grants spent on roads) for capital or special projects. Untied Financial Assistance grants to be expended on capital or special projects if possible.

# AGENDA – ORDINARY MEETING

## 19 FEBRUARY 2018

- c) New services to be funded from new rates raised.
- d) User pays principle to be used where possible.
- e) Cash reserves to be quarantined or committed to specific planned projects. Stimulus loan repayments to be allocated on an annual basis.
- f) Wages to be indexed with Enterprise Bargaining Agreement, and other General Operating expenses be indexed by the LGAT calculated Local Government cost index for 2018 of *estimated 2.0%* or CPI (2.30% last year).
- g) Contract payments increased as per agreement provisions.
- h) Interest on investments calculated at 2.5 percent.
- i) 2% percent increase in financial assistance grant funding.
- j) State stimulus loan funding, at nil interest rate, being only borrowings from external sources for capital or operating expenditure, unless funded from new rates raised for new assets.
- k) Minimise any Annual Asset Renewal shortfall.
- l) General rate increases be modelled on a relationship to the LGAT calculated Local Government cost index of *estimated 2%* (was 1.5% last year) for the Budget period, plus any percentage determined in the LTFP for long term sustainability and for Asset Management renewal funding if required.

### RECOMMENDATION 1

That Council discuss the matter.

### RECOMMENDATION 2

That Council adhere to its previously adopted Budget process as detailed above, and endorse the following 2018-18 Draft Budget parameters

- a) Ongoing operational expenditure to be funded by annual rate income where possible.
- b) Government grants to be expended in the specific areas for which the grants are received (i.e. untied road grants spent on roads) for capital or special projects. Untied Financial Assistance grants to be expended on capital or special projects if possible.
- c) New services to be funded from new rates raised.
- d) User pays principle to be used where possible.
- e) Cash reserves to be quarantined or committed to specific planned projects. Stimulus loan repayments to be allocated on an annual basis.
- f) Wages to be indexed with Enterprise Bargaining Agreement, and other General Operating expenses be indexed by the LGAT calculated Local Government cost index for 2018 of *estimated 2.0%* or CPI (2.30% last year).
- g) Contract payments increased as per agreement provisions.
- h) Interest on investments calculated at 2.5 percent.
- i) 2% percent increase in financial assistance grant funding.
- j) State stimulus loan funding, at nil interest rate, being only borrowings from external sources for capital or operating expenditure, unless funded from new rates raised for new assets.
- k) Minimise any Annual Asset Renewal shortfall.
- l) General rate increases be modelled on a relationship to the LGAT calculated Local Government cost index of *estimated 2%* (was 1.5% last year) for the Budget period, plus

### PUBLIC QUESTIONS & STATEMENTS

Regulation 31 of the *Local Government (Meeting Procedures) Regulations 2015* relates to the provision of Public Question Time during a Council meeting. Regulation 31(7) of the Regulations stipulates that “a Council is to determine any other procedures to be followed in respect of public question time at an ordinary council meeting.”

Public question time is to commence immediately after the meal break at approximately 6:45pm and is to be conducted in accordance with the following guidelines:

- At each Council Meeting up to 20 minutes, or such longer period as Council may determine by resolution at that meeting, is to be provided for persons at the meeting to ask questions.
- A person seeking to ask a question must firstly identify himself or herself by stating their name and the town they reside in.
- If more than one person wishes to ask a question, the Mayor is to determine the order in which those questions are asked
- Questions must be directed to the Mayor who shall answer or direct the question to the appropriate Councillor or Council Officer. A question will be answered if the information is known otherwise taken on notice and responded to in writing within 10 working days. Questions should preferably be in writing and provided to the General Manager 7 days prior to the Council Meeting.
- A person is entitled to ask no more than 2 questions on any specific subject. If a person has up to two questions on several subjects, the Mayor may defer those questions until other questions have been asked and refer back to that person only if time permits.
- Each speaker is limited to a maximum of 3 minutes.
