LONGFORD RECREATION GROUND **2030 MASTER PLAN**

Longford

Earlier today in Longford, Opposition leader Rebecca White announced significant funding to go towards the Second Stage of the Longford Recreation Ground 2030 Master Plan redevelopments. Labor has promised \$550,000 towards the project if elected as a majority Government in the 3 March 2018 election.

The Northern Midlands Council have already pledged \$1.1 million towards the First Stage of the Longford Recreation Ground 2030 Master Plan.

“The Northern Midlands Council is pleased to see our Master Plans and facilities within the region being considered for funding. Funding such as this will enable Council to pursue further upgrades which will benefit a variety of local community groups in Longford and from all over the Northern Midlands municipality. Sport and recreation is the heart and soul of rural communities and is an important investment” said Northern Midlands Council Mayor David Downie.
